Jurnal Magister Administrasi Publik (JMAP) JMAP (Journal of Master of Public Administration / Jurnal Magister Administrasi Publik) is an online journal that publishes research results published by the Master Program of Public Administration of Raja Ali Haji Maritime University. JMAP is published 2 (two) times a year, namely in April and September. The purpose of publishing this journal is as a means of accommodating the need for quality and quantity improvement in the development of Public Administration Science in accordance with the provisions of the Directorate General of Higher Education, as well as disseminating the results of studies of Public Administration Sciences. Besides that, JMAP functions as a means of communication between scholars, practitioners, students, and observers of Public Administration problems and practices.

JMAP is managed by Department Master Public Administration, Universitas Maritim Raja Ali Haji. JMAP is published biannually on April and September, available in printed and online version.

JMAP receives articles of empirical research and literature reviews. Editors can revise the paper without changing the substance and content after review process. The articles sent by the author must be an original script and is not being considered for publication by other journal or publishers. The authors should ensure that they have written entirely original works, and if the authors have used the work and/or words of others that this has been appropriately cited or quoted
