## PREFACE

Journal of Maritime Policy Sciences, managed by the Center for Maritime Policy Governance Studies (CMPGS) Universitas Maritim Raja Ali Haji, Indonesia, serves as a vital platform for the dissemination of research and scholarly work in the field of maritime policy. This journal aims to foster a deeper understanding of maritime issues, promote innovative policy frameworks, and facilitate discussions that are crucial for the sustainable development of maritime resources. The journal invites contributions from researchers, policymakers, and practitioners interested in various aspects of maritime studies, including maritime governance, shipping regulations, marine environmental protection, maritime security, and the socio-economic impacts of maritime activities. Through its rigorous peer-review process, the journal ensures the publication of high-quality articles that contribute to the advancement of knowledge and best practices in maritime policy.
